

CAS VSP Vision Care Insurance

The Council of Administrators is happy to partner with **VSP Vision Care** to help our members and their families purchase affordable vision care insurance. VSP is a national not-for-profit vision care company that puts wellness first. The **CAS VSP Vision Plan** is an optional benefit for CAS members and their families that may be purchased for individuals, individuals plus one, or families. Please take a look at the [plan summary](#) to see if the VSP Vision Care Insurance option is right for you and your family.

The Council of Administrators and Supervisors (CAS), along with VSP Vision Care, have teamed up to offer CAS members one of the most affordable vision care plans available. The VSP Choice Plan is consumers' #1 choice in vision care and it is available to all CAS members and their families at affordable rates.
